ONE PARTNER - NATIONAL COVERAGE

Seamless Transport Across Every State & Territory

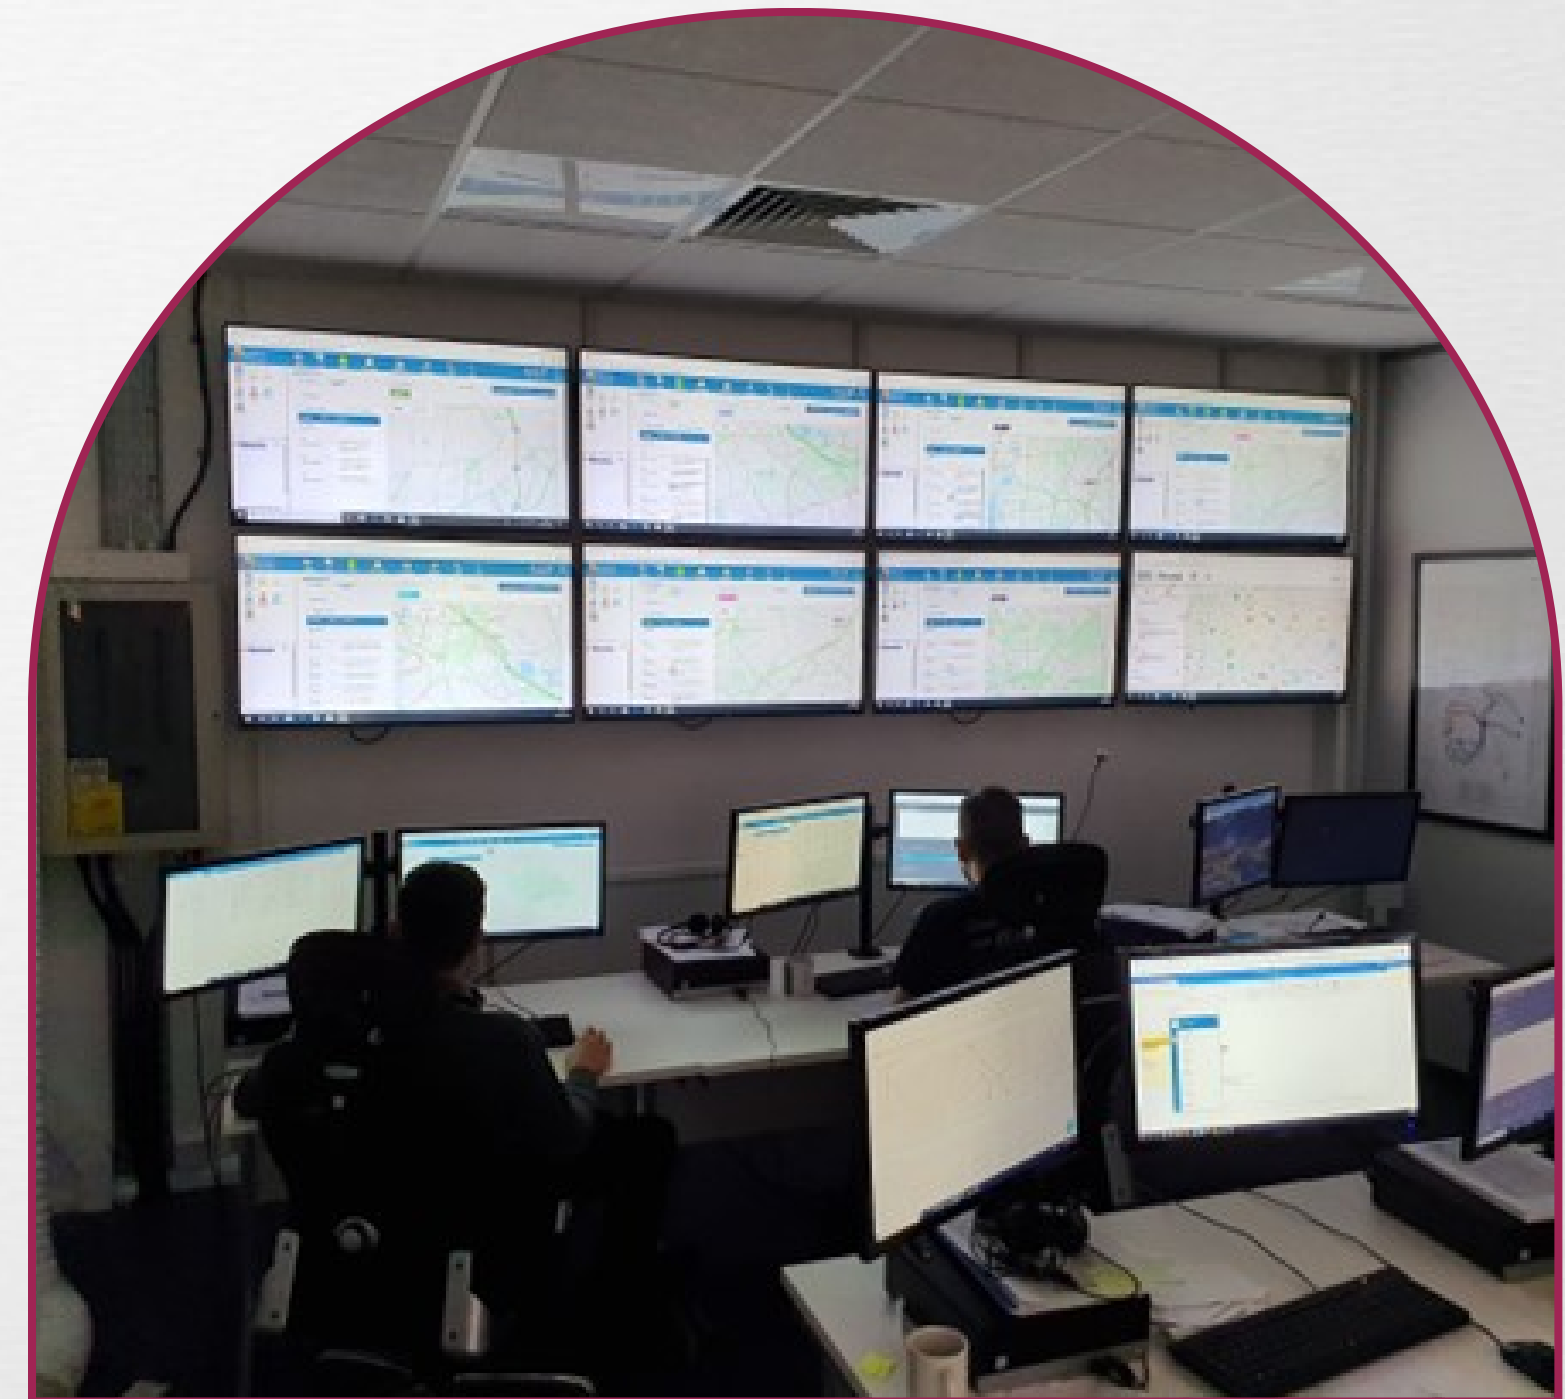

- **The Power of Scale:** Access a vetted network of 500+ depots and over 3,000 vehicles across Australia.
- **Consistency is Key:** Whether your group is in Sydney, the Top End, or travelling the Great Ocean Road, they experience the same high standards of safety, cleanliness, and professionalism.
- **Local Expertise, National Reach:** We combine the local knowledge of regional drivers with the logistical muscle of a multi-million dollar transport management firm.
- **Capacity for Every Group:** From private 7-seater VIP transfers to large-scale events for 4,000+ attendees.

Technology That **Protects Your Brand**

Real-Time Visibility & Seamless Integration

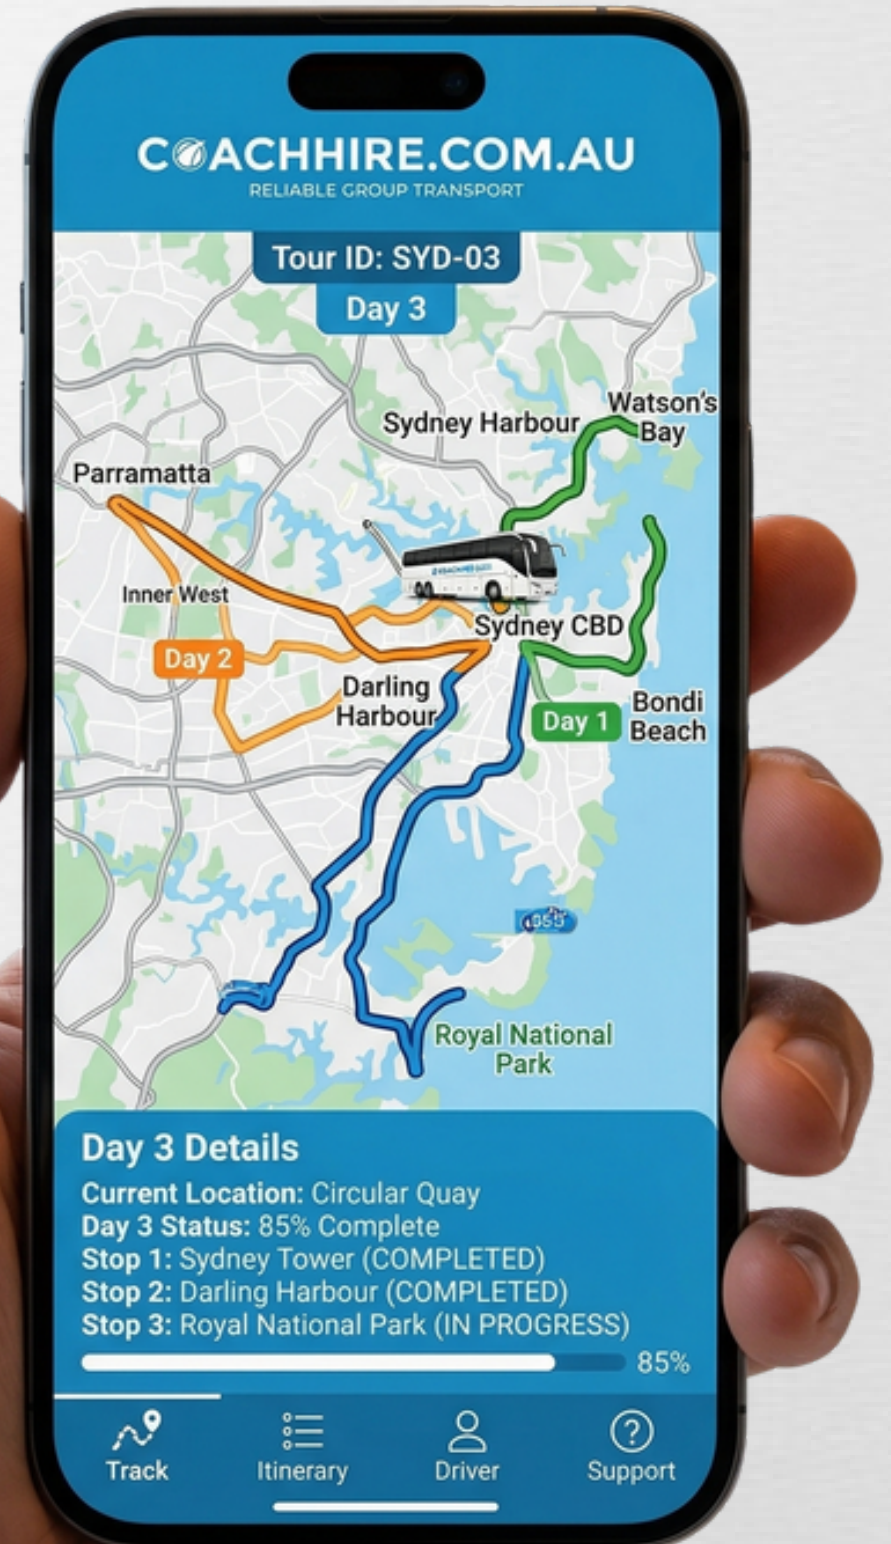

- **Live Tracking & Monitoring:** Give your operations team (& clients) peace of mind with real-time vehicle tracking, geo-fencing & update features
- **The Account Portal:** A centralised hub to manage multi-city itineraries, download invoices, and view driver compliance documents in one place.
- **White-Label Solutions:** We offer branded app options and API integration, allowing our technology to sit behind your brand.
- **24/7 - 365 Control Centre:** Our operations team monitors every route nationwide to ensure timely departures and rapid response to any issues.
- **Automated Communication & Job Verification:** Ensure precision with automated driver contact details sent 24 hours prior and mandatory job verification calls to confirm last minute details before wheels move.

Reliability & Risk Mitigation

Built-In Contingency for Uninterrupted Tours

- **Rapid Recovery:** With the largest network in Australia, we can dispatch backup vehicles within 1 hour in most major hubs, ensuring that a driver's illness or a mechanical issue doesn't ruin a tour.
- **Vetted Safety Standards:** Every operator in our network undergoes a rigorous onboarding process, including insurance verification, vehicle defect reporting, and driver criminal record checks.
- **Duty of Care:** We utilise the e-Coach Manager system to provide full oversight of every job, enhancing your "Duty of Care" as a tour operator.
- **Sustainability Reporting:** Detailed carbon emission reporting is available upon request to help meet your clients' ESG (Environmental, Social, and Governance) goals.

Where else would we want to spend our July then at the Christmas store that operates 360 days a year!!! We begin the day with our traditional morning tea at the scenic Noble Falls, surrounded by natural beauty and fresh country air. From there, we travel through the picturesque Avon Valley, enjoying a scenic drive along the Avon River as we make our way into charming Toodyay. On arrival, we'll take a guided tour of the town, highlighting key points of interest including the historic Newcastle Gaol and other local landmarks. Then it's time to relax and enjoy our Christmas lunch at the historic Victoria Hotel, a perfect setting for a festive feast. After lunch, enjoy some free time to explore Toodyay at your own pace. Browse the variety of local shops, including two quaint op shops, the Coca-Cola Museum, Christmas 360, and more, before we leisurely make our way home.
